2021 - 2025

SAL Engineering And
Technical Institute

Bachelor of Engineering in Computer Engineering

2018 - 2021

L.J University

Diploma in Computer Engineering

EXPERIENCE

COREXTRIME

20 March 2024 - 8 May 2025

Junior Frontend Developer

Worked as a Junior Frontend Developer at CoreXtrime, responsible for developing and maintaining responsive and user-friendly web interfaces using HTML, CSS, and JavaScript. Assisted in implementing UI designs as per project requirements, ensured cross-browser compatibility, and fixed frontend bugs to improve performance and usability. Collaborated with senior developers and backend teams to integrate frontend components with APIs and supported ongoing web application development while following coding standards and best practices.

HDB Finance Limited

18 JULY 2025 - TILL NOW

Senior Telcalling Officer

Worked as a Senior Telecalling Officer at HDB Financial Services Limited, responsible for handling outbound and inbound customer calls related to financial products and services. Managed customer queries, provided accurate information regarding loan products, payment schedules, and account status, and ensured timely follow-ups. Achieved daily calling and recovery targets while maintaining proper call records and reports. Followed company policies, compliance guidelines, and customer service standards to ensure high levels of customer satisfaction and effective communication.
